Sir,

Adverting to para 6 of Govern-
ment Proceedings No. 11-24/L.B.66-03 dated
7-10-1903, I have the honor to St. 1.
that there are seven
officers* who are ex-officio
members of the Hassan
District-Board by
virtue of the offices they
hold, and to submit-
herewith

*1. Deputy Commissioner
2. Sub Division officer, Sakleshpur
3. Executive Engineer
4. General Assistant Comr
5. Treasury — do —
6. Assistant Surgeon
7. Deputy Inspector of Schools

herewith a statement showing the names of gentlemen proposed to be appointed as members of the District Board to be newly constituted under section 8 of the Rules issued under the Local Boards Regulation II of 1902.

2. Of the non-official members on the existing District Fund Board, the names of messrs Rama Sastry, Pandit, Sanskrit Pathasala, Chennaya patna, and Venkatasubbiah, Inamdar of Harpanahalli, Arsikere Taluk, have been omitted and messrs Padma Setty and Kencharayachetty, the first a jain and the second a Vishya have been proposed instead as shown in the enclosed list, to make the new District Board fairly representative.

3. It will be seen from the statement that two or three members for each of the talugs in the District have been

been nominated having regard to the importance and the requirements of each and that they have been selected from different communities and interests.

4. Under the above circumstances I request that you will be so good as to obtain very early sanction of Government to the appointment of the gentlemen shown in the list for the Hassan District Board.

5. I beg to add for the information of Government that orders have already issued regarding the constitution of the Taluk Boards but that considering the nature of the preliminary formalities prescribed for the election of members, I do not think that these Boards can be constituted in all the Talugs before the end of February next. Needful steps are, however, being taken in the matter to give effect to the rules as

as early as possible.

6. It may not be out of place here to state that as the rules in question have come to force from 1st November 1903, as many meetings as six may not be held during the current official year. (Vide rule 23 clause 2).
